**Application for Extension of Time to File
Partnership (Form IT- 565) or Fiduciary (Form IT-541) Return**

Please note: If you received an extension to file your federal tax return for this period, you do not need a separate extension for filing your state return. Louisiana will recognize and accept the federal extension authorizing the same extended due date as the federal.

Attach a copy of your federal application, Form 8736, to your completed Louisiana return. If you have an approved Form 8800, attach a copy of it to your Louisiana return.

If you do not have a federal extension, then you should use this form for making your request. The maximum time allowed is six months past the due date of the Louisiana return.

This is not an extension of time for payment of tax. Any tax not paid by the original due date of the Louisiana return will be assessed interest at the rate of 15 percent per annum from the due date to the payment date. **A late payment penalty of up to 25 percent may also be imposed.**
